

Sinclair
Broadcasting's
decision to force
their stations to
publish a biased
political
documentary without
allowing equal time
for opposing views
is an affront to
democracy as we know
it.

As the agency
empowered to stop
these types of
abuses you are
accountable. You
can say no to the
policies that lead
to the concentration
of media that allows
this monopoly of the
public's airwaves
and not in the
public's best
interests - as it is
legally and morally
bound to do.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them. They
show why the license
renewal process
needs to involve
more than a returned
postcard. Thank you.
